LEONARD

Bedroom Range

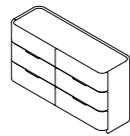

Material

American Oak typically has a fine grain that is strong and visible with few markings or features. Please be advised that timber is a natural material with grain detail, colour and finishes subject to variation. Additionally solid timber will be more susceptible to movement in warmer climates.

Description

Soft and minimal, The Leonard range is a contemporary bedroom solution. Premium soft close runners and hardware make this a fantastic option for those who enjoy the finer things. Available in the natural wood finish of American Oak, each piece beautifully marries with the honed Carrara marble and Fawn fabric. Elevate your space to the heights of sophistication and style with the LEONARD bedroom range.
