# ERIN

Dining Range

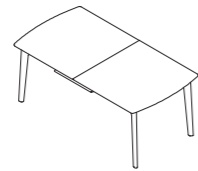

## Description

The ERIN dining collection is subtle visually but boasts beautiful detailing. Fronts that roll into each other nest in a chamfered top. The display cabinet is adorned with glass shelves, not only providing practical storage solutions but also adding an airy and visually captivating touch to the piece. This delicate balance of subtle aesthetics and meticulous craftsmanship elevates the collection, making it a refined addition to any dining space.

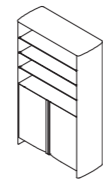

## Material

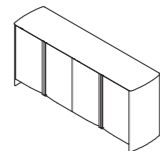

Natural Oak typically has a fine grain that is strong and visible with few markings or features. Please be advised that timber is a natural material with grain detail, colour and finishes subject to variation.
